Payment Plan Options

Primary Payment Plans (for all payment plans, the first premium installment is due on the policy effective date)

- Annual (Plan A)** The entire premium is due in one installment. Discount applies unless option to pay via credit card.* **Credit card is not an available payment option on an Account that includes a policy on the Annual plan.**
- Quarterly (Plan D)** The premium is split into four equal installments due in three month intervals.
- 9 Month (Plan E)** The premium is split into nine consecutive monthly installments.
- Monthly Auto-Pay (Plan G)** Twelve consecutive monthly premium installments; available only if enrolled in automatic payments.

***Payment Plan Discount**

For **personal auto policies**, a premium discount applies under the Annual payment plan if payment is made via cash, check, debit, one-time electronic funds transfer (EFT), or automatic payment. For policies effective 7/1/2017 and after, payment via credit card is available if the policy is single-invoiced, **but if the credit card option is selected the discount does not apply** and the subsequent policy renewal premium will not reflect the discount, regardless of whether you pay by credit card, check or any other payment method. To change your payment plan to reflect the discount, contact your Agent or Customer Care to remove credit card as a payment option prior to renewal. Failure to pay in accordance with the stated payment plan terms will result in loss of the discount and an increase in the annual policy premium.

Automatic Payments

Primary payment plans are eligible for recurring automatic payments debited via EFT from a checking or savings account.

Installment Service Charges do not apply when enrolled in automatic payments. Completion of an ACH Authorization form is required. For new policies, a down payment is recommended.

Installment Service Charges

An installment Service Charge of \$5.00 will be applied at the time of invoicing for the second and subsequent installments to offset the cost of billing the deferred installments. Installment Service Charges are not applicable to the Annual payment plan. **Installment Service Charges do not apply when enrolled in automatic payments.**

Policy Fees

Policy fees are applicable to all primary and alternate payment plans.

Returned Payment Fee - for payments returned unpaid by your financial institution - \$25.00

Late Fee - when a cancellation notice is issued due to non-payment of premium - \$10.00

Reinstatement Fee - when a policy is reinstated with a lapse in coverage following non-payment cancellation - \$25.00

Note: All installment service charges and policy fees are paid to Erie Indemnity Company.

Alternate Payment Plans (installment service charges apply unless otherwise indicated)

- Third-Third-Third (Plan B)** The premium is split into three consecutive monthly installments; installment service charges do not apply; eligible for payment plan discount for personal auto policies. **Credit card is not an available payment option for a single-invoiced policy or for an Account that includes a policy on the Third-Third-Third plan.**
- Quarter-Quarter-Half (Plan C)** The premium is due in three installments; one half of the premium is split into two consecutive monthly installments; second half of the premium is due six months from the policy effective date.
